Re: Support to FoodBank South Africa

Words seem too powerless to express our gratitude to Eat Greek Caterers, for the myriad of ways you have shown your support to FoodBank South Africa – the generous ongoing food donations, making yourselves available to listen and giving our team motivation to keep going - we are humbled by your compassion and love for people!

Through your contribution we were able to recover 2339kg of food from the Vodacom Durban July event last Saturday, and it is through support such as yours that we are enabled to continue our work and also extend our services to reach more hungry people in South Africa.

On behalf of communities we serve, we thank you for making a difference.

Yours sincerely,

Ntomby Ngema
Branch Supervisor
